

Global Intercultural Dialogue

Saturday, February 26, 2022 at 13:00 UTC

Hosted by Jissen Women's University

Theme: The Transition to Life after Graduation

Students participating in the Global Intercultural Dialogue will all experience the transition to life after their education. In the upcoming GID, we will explore cultural norms, institutional programs, and personal perspectives related to graduation and the transition to life after schooling is complete.

Education & Preparation	The Transition: Graduation	Life after Education
------------------------------------	-----------------------------------	-----------------------------

Discussion Questions

- What kinds of programs, courses, or services does your university offer to help you prepare for life after graduation? Among these, what did you find most helpful?
- How do students in your country typically find jobs after graduation? What are the strengths and possible weaknesses of this system?
- What are you planning to do after you graduate?
- What concerns do you have about life after graduation? What actions are you taking or can you take to address these concerns?
- When you think about life after graduation, what excites you the most?
