The **MISSION** of NICE is to equip speakers of other languages with the language and cultural skills necessary for success in today's global society in academic, professional, and social contexts. To fully serve students with different goals, the program offers a full-time program that emphasizes oral communication and cultural competence by:

- ☀ Providing a flexible curriculum suited to the students' interests, needs, and abilities while adhering to the overall curriculum guidelines for each course;
- ☀ Specializing in innovative methods for teaching listening and speaking skills;
- ☀ Developing and practicing real-world listening and speaking tasks, which include authentic readings as input and realistic writing as output;
- ☀ Maximizing opportunities to use the communication skills learned in the classroom **on campus** and **in the community**;
- ☀ Providing a culturally diverse, enriching, and supportive learning environment while fostering **a sense of "aloha."**

The University of Hawai'i at Mānoa New Intensive Courses in English (NICE) Program is accredited by the Commission on English Language Program Accreditation for the period April 2022 through April 2032 and agrees to uphold the CEA Standards for English Language Programs and Institutions. CEA is recognized by the U.S. Secretary of Education as a nationally recognized accrediting agency for English language programs and institutions in the U.S. For further information about this accreditation, please contact CEA, 1001 N. Fairfax Street, Suite 630, Alexandria, VA 22314, (703) 665-3400, www.cea-accredit.org.

NICE CURRICULUM

4 CLASSES

The full-time study program includes four core classes. Each class meets 50 minutes per day, Monday through Friday. Classes may meet throughout the day between 8:30am and 4:20pm, with most classes in the morning from 8:30am-12:20pm.

GRAMMAR

Work on the structures of English needed to communicate clearly and accurately in writing and speaking, in both formal and informal settings. Textbook required.

LISTENING

Work on understanding spoken English. Course includes listening to audio/visual material, note-taking skills, and learning new vocabulary. Textbook required.

ORAL PRODUCTION

Build oral fluency with emphasis on the functions of the language and pronunciation. Includes **Interchange**: Practice English in small groups with American students throughout the term.

INTEGRATED SKILLS

Use and expand speaking, listening, reading, and writing skills while studying a variety of subjects. Includes **Interchange**. Textbook required. Includes **Community Day**: visit local establishments to practice English and experience the culture.

5 LEVELS

New students are placed into levels based on placement tests given on the first day of the term. Continuing students are placed based on their class evaluations and teacher assessment of their progress. Students typically remain in one level for two terms to cover the complete curriculum for each level.

BASIC

Some prior English study, able to comprehend simple vocabulary and communicate with words, short phrases, and gestures.

HIGH BASIC

INTERMEDIATE

HIGH INTERMEDIATE

ADVANCED

A good grasp of the language, still working on perfecting complex language structures, natural and appropriate use of the language.

Course Goals and Curriculum Themes

All four NICE classes have goals, objectives, and student learning outcomes for each level. In addition, the **Oral Production** and **Integrated Skills** classes are organized around themes related to student's goals for studying English, focusing on academic, professional, or general subject matter. Whenever possible, students with similar goals are grouped together. In classes where student goals are mixed, instructors balance the course material to accommodate the various needs and interests.

Evaluation and Assessment of Progress

Throughout a term, students' achievement on student learning outcomes is monitored. At the mid-term and at the end of the term, students receive evaluation reports that give feedback on their progress and help them to set new language learning goals.

NICE students are expected to meet the overall grade point average, attendance, and performance requirements in order to receive a certificate of completion and to remain in the program.

Part-time Study at NICE

Students with limited time to study are welcome to take one, two or three of the core classes, or a NICE elective. Students *on an F-1* student visa must take all four core classes.

TOEFL and TOEIC Preparation and Testing

Each term either a TOEFL or TOEIC test preparation course is offered as an optional elective for an additional fee. Official institutional TOEFL and TOEIC exams are offered during the last week of every term.

ENGLISH ONLY!

Students meet NICE staff and teachers and make new friends at the **New Student Orientation and Welcome Reception** at the beginning of the term. UHM students lead new students on a **Campus Tour**.

Interchange and the **International Language Exchange** are both great ways to practice real-world English and meet UH students.

The community becomes the classroom on **Community Day** each term.

Some NICE students practice English while providing service through **Volunteer Activities** in the community.

Serious students like to have fun, too! **Social Gatherings** are organized each term.

The term ends with a big celebration. Students are recognized with **Certificates** and awards at a **Graduation** ceremony and lunch on the last day. Students make speeches and offer entertainment.

APPLYING TO NICE 10-WEEK SESSION

Admissions Eligibility

- ☀️ NICE welcomes applicants from all countries.
- ☀️ NICE accepts students from beginning to advanced levels.
- ☀️ Applicants must be 18 years or older by the beginning of the study term.
- ☀️ NICE students must be high school graduates or equivalent.
